Nestled within walking distance of Holland Park and Kensington, Brook Green is one of West London's most desirable residential sanctuaries. Tree-lined avenues and architectural heritage infuse the area with village charm, yet the excitement of the city is always within reach.

At the heart of Brook Green lies an enchanting green space, ideal for peaceful walks with a coffee in hand, purchased from one of the many local cafés.

From gated access to a private courtyard, the residence fosters a rare atmosphere of tucked-away tranquility.

A NATURAL ESSENCE

Brook Green has always been shaped by nature, and today the development sits directly alongside it.

The name "Brook" recalls a gentle stream that once threaded through this verdant landscape. It carved a natural route across what was then open countryside.

Originally part of the Manor of Fulham, Brook Green remained largely rural for centuries. It was a tapestry of market gardens and blossoming orchards set against wide, open fields.

Now, that same green remains a daily presence. Brook Green is just outside, with open lawns, mature trees and a calm, expansive view.

PINNACLE OF STYLE

Step out from the serenity of Brook Green and straight into London's most renowned retail destinations.

Whether you're searching for a thoughtful gift or a new wardrobe staple, explore a prestigious range of luxury shops in nearby Knightsbridge, Sloane Street, Sloane Square and The Village at Westfield, Europe's largest shopping centre.

VIBRANT AVENUES

Nine minutes away by car, or reached within a leisurely 35-minute walk, Notting Hill invites you to meander down its scenic streets, where pastel-coloured houses and welcoming dining spots offer a picture-perfect setting for your weekend excursion.

MAJESTIC GREEN SPACES

Awaiting your exploration, London's most iconic parks and picturesque gardens are just a 20-minute walk away.

Spend summer weekends strolling through the beautifully landscaped grounds at Holland Park and Kensington Palace Gardens, or enjoy picnics with company in the vast openness of Hyde Park.

RIVERSIDE CALM

Just a 20-minute walk from Brook Green, the River Thames is more than an iconic landmark—it's a way of life. From tranquil riverside walks to the refined eateries and cultural landmarks that line its banks, the Thames offers a dynamic yet timeless backdrop to life.

FOR CITY TRANQUILLITY

I launched London Square in 2010, inspired by the heritage of the capital's famous squares—landmarks renowned for their legacy and community.

Now part of the Aldar Group of companies, London Square and Aldar are committed to creating world-class developments, anchored in high-quality design, sustainability, and customer service excellence, building award-winning homes where people really want to live.

We are proud to be at the heart of delivering much-needed new homes and communities, revitalising forgotten, neglected corners of Greater London and beyond in key commuter locations. Our developments are in well-connected districts, close to good transport links, excellent schools and local amenities. The homes we build range from apartments for first-time buyers to smart family homes, from grand restorations and conversions to contemporary, destination developments. We also build affordable homes for shared ownership and rent through our independent housing provider, Square Roots.

Our latest new prime address, Fifty Brook Green, showcases London Square's exceptional expertise in the restoration and conversion of a magnificent former Victorian school building, with original period arched windows, vaulted high ceilings and bespoke detailing, set in lush gardens with British oak furniture by Gaze Burvill, makers of a spectacular bench for London Square's gold medal-winning garden at the RHS Chelsea Flower Show.

We are delighted to be working within the London Borough of Hammersmith and Fulham, where we delivered one of our first developments over 10 years ago. We are already working with existing residents and businesses around Brook Green, investing in the local economy to make a positive difference to people's lives, embodying the spirit of London Square.
